Volume 37, Number 7

## THE BIRD'S NEST

*A recent article, penned by a cynic, pointing to religious strife around the world, said “if we could just get rid of religion, we might be able to have peace”. On the face of that statement, there may be a modicum of truth. We have witnessed the blood lust of religious fundamentalism as it has claimed many lives over the centuries, highlighted especially for Americans on September 11, 2001.*

*Such destructive beliefs and behavior have been underscored in recent weeks with the horrors of war we witness in the Middle East in Syria, Egypt, as well as others. These most recent episodes only highlight other religious bloodletting taking place around the world. We see it in disputes displayed in Muslim and Hindu atrocities carried out in India and Pakistan and animosities between Sunni and Shiite factions in Iraq and other nations. Many others could easily be pointed out as an alarming influence of religious cults over peoples' lives and deaths are made manifest. So, is religion a blessing or a curse of humankind?*

*Perhaps the best way to understand how we use religion, instead of allowing our faith in God to lead us, can be found in a quote by Frederick Fruerbach. He commented that “man has created God in his own image”. When this occurs, it gives us free rein to commit all sorts of atrocities in the name of God that suit personal or national agendas.*

*However, in our Christian faith, we see God who came to earth in the person of Jesus Christ, not to destroy, but to build up – a Lord of love, not hate; a Savior who saves us by self-sacrifice rather than sacrificing others. It is this graceful faith in Christ that marks the difference between a follower of religion and a faithful person. A religious person constructs the rules to separate and judge others which justifies the killing or harming of others. The faithful person seeks to understand and find the spark of God in every human being.*

*Beloved, let us not be fooled by the perversion the world calls “religion” which is clothed in self-righteousness and stained with the blood of others. Instead let us hold true to our faith, seek God’s forgiveness for our sins, and reach out to gather others into the bosom of our Great and merciful Lord.*

*Those who say “I love God”, and hate their brothers or sisters are liars; for those who do not love a brother or sister whom they have seen, cannot love God whom they have not seen. The commandment we have from the Lord is this: Those who love God must love their brothers and sisters also. (I John 4:20-21)*

**Constitution Week, September 17-23, commemorates the signing of the Constitution of the United States. Did you know that the only place in the Constitution that "lord" or any reference to God is where the date is written: "Seventeenth Day of September in the Year of our Lord one thousand seven hundred and eighty-seven"? Did you know that "We hold these truths to be self-evident that all men are created equal" and "Life, Liberty, and the Pursuit of Happiness" are not in the Constitution, but both are in the Declaration of Independence? And lastly, this quote "Of the people, by the people, for the people" is neither in the Constitution nor the Declaration, but comes from the Gettysburg Address. Study our Constitution!**

**We wish to include a prayer that is printed in our DAR Ritual and Missal:**

**As we celebrate the anniversary of the Constitution of the United States of America, we offer thanks, dear Lord, that our nation has prospered with this document as the foundation. We are grateful to the wise men whose foresight made possible this priceless treasure. With hearts filled with gratitude, our Father, we give eternal thanks. Amen.**

**ABINGDON PRESBYTERY UPDATE**

This is the first in what I intend to be a series of occasional updates on what is happening in the Presbytery.

**Mountain Top**

The Education and Church Development Committees have combined to bring us a Mountain Top experience on Saturday, Sept. 28. This educational event will be held from 9:30 am to 2 pm at the Royal Oak PC in Marion. Everyone is encouraged to attend.

**Stated Clerk/Exec Search Team**

The team has conducted a series of listening sessions throughout the Presbytery to learn how members view Presbytery. I have attended several of these sessions and have been encouraged by the response. The Search Team will collect and review these responses as it determines the nature of the position of Stated Clerk/Exec.

**Youth Mission Trip**

Tony Palubicki and Greg Wood led another youth mission trip to New York City. Here is an edited (for space) version of Tony's observations. For the past three years the Presbytery's Compassion Ministries Committee has supported and helped fund three mission trips to New York City. The mission trip enables those who come an opportunity to experience a real-life connection to the larger mission and ministry of the church. Although aimed at our youth the mission trip has also been open to adults who participate as both volunteers and leaders. Over the course of the past three years about 65 people (youth and adults) have participated in the event. During our time in New York we work with various food / soup kitchen ministries located throughout the boroughs of New York.

The trip also affords the participants the opportunity to touch history. We have included visits to the National Sept. 11 Memorial, trips on the Staten Island Ferry to see the Statue of Liberty, and the Empire State Building, and Times Square - where we always include the opportunity to watch a Broadway play.

I enjoy leading these trips because, for me, they're like spiritual retreats. Each and every day I find myself privileged to watch the Spirit of Christ moving in wondrous and marvelous ways. I witness this especially in the youth as they discover things about themselves they hadn't known before, grow in faith and understanding, and make friends with others from across the globe but especially with people right here in our own Presbytery. How do you place a value on these things? I don't believe you can. It's priceless! Peace, Tony

**Hunger Program**

Phyllis Canter and the Compassion Committee continue to be active in feeding the hungry in southwest Virginia. Several shipments of sweet potatoes have been distributed in Appalachia, Bland, Bluefield and Saltville. Fruit was also distributed this spring. An extensive gleaning program took place and thousands of

pounds of produce was collected to feed the hungry in our presbytery. We are all grateful for the work of the Hunger Program on our behalf.

**From The Past** As I was looking up some information regarding a real estate transaction in 1952 I ran across this item in the minutes of the meeting of Abingdon Presbytery on April 15 & 16 in Richlands and Cedar Bluff. "On motion the Hoot Owl building was placed under the care of the session of the Powell's Valley Church until the Spring Meeting of the Presbytery."

**Stated Clerk** Since the June meeting of Presbytery at which I was installed as your Stated Clerk, I have been acquainting myself with the duties of the office and learning more about the Presbytery. Regrettably, much of my time has been concluding the transfer of property to churches leaving our denomination. I hope to complete this work by the end of November. Keep Presbytery and the churches who have left us in your prayers.

Please welcome Mike Chamberlain, Interim pastor of Central PC and Andy King, Stated Supply for Dinwiddie PC.

### **BLUE SKIES**

You may see reference to a new committee (yes, another committee) called the Blue Sky Committee. This committee will be researching and developing strategies to implement our vision (printed on the first page of our web page) more effectively in the months and years ahead. It has already met as it looks at ways to increase our ministry, congregation, and mission, both near term and in the future. The committee is moderated by Michael Colston and its members from the Session and Board of Deacons are Sara Hutton Tallman, Dirk Wilmoth, Nancy Hagen, Anita Robinson and Damon Lester with Rev. Bird as ex-officio. Please don't be shy in making suggestions you might have. Further reports will be forthcoming as they do their work. Please keep them in your prayers.

## Glory to God: The Presbyterian Hymnal-Bookplates

The new hymnal, Glory to God: The Presbyterian Hymnal, will arrive in late October or early November. The hymnals have already been purchased. Even though the hymnals are paid for, the Worship Committee wanted to give you, the congregation, an opportunity to purchase a bookplate to place in the hymnals in honor of or in memory of someone. The cost of each bookplate will be \$10 (the original cost of each hymnal). All of the money from sale of bookplates will go to the Outreach Committee's fund for local missions. Order forms will be in the bulletin in the coming weeks as well as in this newsletter. Please make checks payable to Glade Spring Presbyterian Church. On the memo, put hymnal. There were 200 hymnals ordered, so get your bookplate orders in quickly. Turn in order forms and money to the church office.
